

Garland Bass Club Newsletter
Ellison Creek Lake
April 20th & 21st, 2024

Lake Bob Sandlin turned out to be a fair outing. Just over 115lbs for the club with three over 6lbs! Two of those three fish were over 8lbs! Not the 300lbs the club used to catch 'Back in the Day!' But still a decent outing. Congrats to Jared, Eddie and Jeffery for taking 1st, 2nd and 3rd! With Jeffery taking big bass at 8.86lbs. Not bad for an insurance salesman!

I know a lot of you are collecting these jewels of communication, So I am offering a one time membership to the Garland Bass Club publications for your personal printed copy of these great works of wisdom. You can receive your very own printed copy of the newsletter to hang next to your copy of the constitution on your wall. I have an operator standing by to activate your membership for just 19 dollars a month, that is just 0.63 cents a day! But wait! Due to the bridge in Baltimore falling and the brush fires in California and Texas, this one-time offer may have to be discontinued soon because of shortages in supplies and general laziness on my part. It's always something!

Our next outing is Ellison Creek Lake according to our schedule on www.garlandbassclub.com, with Jerry Petty in charge. Call him if you need anything (except money) at 214-649-5898. Weigh-in times are on our webpage. The ramp is Lone Star City Park with headquarters at Scenic View motel. The Scenic View can be reached at 903-656-2272. There are other motels in the area.

I hope each one of you catch your 'best of the season' so far! Be safe, enjoy the event! Meeting this coming Monday evening (04/15/2024 @ 7:00pm) (TAX Day!) at the VFW as usual. (Gary- it is this coming Monday!) Catching an 8 pounder in a tournament is like making a birdie in the Masters!

Let's be safe, love each other, enjoy fishing when you can, and I'll leave the light on for you!
