**Lake Brandi Branch**  
**February 6<sup>th</sup> & 7<sup>th</sup>, 2021**

*Well, boys and girls. One down and several more to come. The conditions weren't great at Martin Creek, we have fished much worse! But they weren't all that bad either! A little wind and some fairly cool temperatures, but all in all, not a bad outing! Kent did his usual by taking first place with five fish for two days. Followed closely by a guest, Robert Baxter and then Reggie. Hiding just under the radar was Eddie who was beat by Reggie by 0.15 pounds. A close one but no cigar. Congrats to the winners! At least you got to get out of the house!*

*Our next outing is coming up next weekend at Brandy Branch lake. A pretty little body of water that the club has had various levels of luck fishing. Only problem with Brandy Branch is the number of other boats. The parking lot is small and we have had trouble with spaces to park in the past. Other clubs seem to like this lake at this time of year also. Lake has some good fish which seem to be hard to catch at times! Or at least for me in the past!*

*There will be a meeting this coming Monday evening {February 01) at 7:00pm at the VFW as we have been meeting there for the last few years. There will be some free door prizes for the members and guests who show up to the meeting. Your welcome! Mr. Riddle will be in charge. Gary Russell is in charge of this tournament and can be reached at 903-987-2521.*

*Start and weigh-in times are listed on our web site at [www.garlandbassclub.com](http://www.garlandbassclub.com), as are the schedule and other bits of interesting data. Thanks to Jerry for keeping the web site up to*

*date. Jerry also keeps the records for the club. Speaking of Jerry, he had some surgery recently on his shoulder and is in recovery and doing as well as can be expected. Joe de Leon is still recovering from his visit with Corona-19. A fast recovery to both of you!*

*I am proud to be a member of the Garland Bass club! (sounds like a reverse mortgage commercial doesn't it)? And I am looking forward to fishing again this year. I hope to be fishing with this club for as long as I can. So, watch out Marvin, here I come! Remember that the web site is the official word and documents for the club! Everybody stay safe, stay warm, and be happy!*

*Everyone love each other and I'll leave the light on for ya!!*
