*Lake Brandy Branch*  
*February<sup>h</sup>, 2020*

*Well, I have compiled enough data to say with confidence that the Garland Bass Club's fishing schedule has an absolute impact on the weather. Contrary to the state's weather scientist, our schedule makes the weekend we fish go against what is projected. Lake Martin Creek was cold and windy. And it was 73 degrees on Wednesday before our tournament. But we still had some winners! Congrats to Marvin and Kent for their outstanding performance on this lake. The person who finished third was an unknown and unrecognizable fisherman. (Unrecognizable, because I had too many clothes on to even bend my legs).*

*Our next outing will be Brandy Branch. Benny and Gary are eager to fish this one as they usually do well on this body of water. Besides, Benny has bought four new reels to start fishing this year. It works for me! It's kind of like shoes for women, every thing is better with new toys.*

*Fishing times and rules are on the web at [www.garlandbassclub.com](http://www.garlandbassclub.com). Refer to it if you have questions.*

*Hopefully some of you got weigh-in bags for Christmas, some of the bags were better at watering flowers than holding water. We want all fish brought in to weigh-in in bags with water for release. You may keep your catch after weigh-in for personal consumption as you please, but we would like for the image to voyeurs of the Garland Bass Club doing all it can to keep fish in good shape as the law requires. If you have a legal fish that dies from a gill hook, place it on ice and present it to weigh-in. It is illegal to discard fish that have died.*

*Meeting tomorrow night at 7:00pm at the VFW (yes Gary ---Tomorrow night Monday 10<sup>th</sup> of February ) as we have for the last several years. New members and guest are welcome. Remember that you don't have to fish every tournament to enjoy fishing with the club, just fish when you can.*

*We will be staying at the Super 8 motel in Marshall (832-247-0344)*

*Benny is in charge of this tournament and can be reached at 832-247-0344.*

*If your still looking for a room at Sam Rayburn, good luck. Jane's shady acres is sold out. Last heard – Benny and Gary have a large trailer with 5 beds. Three are open at the time of this letter. If your booked at Shady acres, please remember that she does not take credit cards! Only cash or personal check.*

***Life is way too short to not visit with friends and fish when you can! I'm just saying!***

***Let's have a great year, a safe year, and make a lot of memories together***

***Everyone love each other and I'll leave the light on for ya!!***
