

Garland Bass Club Newsletter
Lake 'O' the Pines
March 28th & 29th, 2020

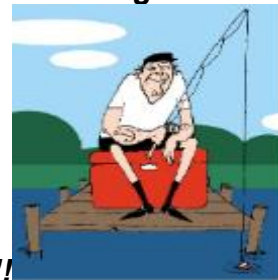

*First and most Important! There will **be no meeting** this coming Monday night! The VFW is closed because of this damn virus thing. (So Gary – no new door prizes for you!). The tournament is still on. The room reservations are still in effect. The Avenger Steak house is reported still open as other mom and pop cafes..*

Sam Rayburn was a big disappointment to most of us! Looks like Stan pulled up some of his old magic to win this one with Ron's netting skills. Congrats to Stan, Jodi and Gary for taking 1, 2, & 3. Should have been much better. Jerry and I couldn't face all that competition, so we came home early with a bruised shoulder, three broken ribs and a crushed L1 vertebrae! And to throw in a little color just for fun we both came down with the flue. Fun times to say the least!

*The schedule and weigh-in times are on our website.
Lake is reported to be 4 feet high as of this writing.*

*Be safe and don't touch each other! This too will pass!
Standings attached. Good luck!*

***Life is way too short to not visit with friends and fish when you can! I'm just saying!
Let's have a great year, a safe year, and make a lot of memories together.***

Everyone love each other and I'll leave the light on for ya!!
