

Garland Bass Club Newsletter
Lake Tyler
May 09, 2020

Yes! Your reading this right! We are going fishing at lake Tyler. No meeting! And this tournament counts in the year end standings. As the schedule indicates, fishing times are 6:00am till 4:00pm. Masks are not required but suggested at weigh-in and on the lake if you so desire! The distance between seats supports safe distancing while on the lake as the Governor requires. So 6 ft at weigh-in please!

So, there is going to be a one day sanctioned tournament this Saturday (May 09/2020) on lake Tyler. Weigh-in is the public ramp on HWY 64. Kent is in charge of this one and he can be reached at 903-574-6496 for any questions.

There will be a meeting directly after weigh-in at the ramp to discuss options for the remaining of the year. Adjustments for the rest of the year may be required as this damn virus dictates the rules of the state.

These are unusual times and require unusual measures. Be safe – don't touch anyone. Wash your hands often – remember the gas pump handle! We are all prime targets of this pandemic and I want to beat somebody fishing! It may be next year, but if I can fight through 3 broken ribs, a torn rotator cup, and a crushed vertebrae, I can fight this damn virus and continue fishing with my friends! After all, it is about the last thing I can still do!

Everyone love each other and I'll leave the light on for ya!!
