

Garland Bass Club Newsletter
Lake Martin Creek
February 10th & 11th

The new year has begun! We are all tied for first place! Each year we all start off tied for first place. But then it's all downhill from then on!

We have our first meeting this coming Monday evening (Oct. 05) at 7:30 at the V.F.W. on Castle Road. We have met there the last several years. The Rickman's have finally take control of the club as James is the new president in charge. He, along with several assistants, will try to lead the club in a successful fishing year and assist in making lot's of memories. Afterall, he was in the Air Force, as I and others were, and we know how to lead! (Sorry Army and Navy).

Our first outing will be Martin Creek Lake. This warm weather may be just what the lake needs to let the fish become more active. The schedule with fishing times and headquarters are listed on our website.

(www.garlandbassclub.com) Along with bylaws and other information can be found there.

The awards banquet was good, with lots of door prizes, decent food, and just enough cold beer! Thanks to Amanda for helping with the door prizes. A special thanks goes out to Stan Gentzler for donating many of the door prizes. Something he has done for several years and is appreciated by the club members.

Another special thanks goes out to Jerry Petty for the website work and keeping the club's records.

See you at the meeting!

Let's be safe, love each other, enjoy fishing when you can, and I'll leave the light on for you!
