

**Garland Bass Club Newsletter**  
**Lake Quitman**  
**May 18<sup>th</sup>, 2024**

*Someone said that it may have rained on Ellison Creek lake during the last tournament. I was wondering why Jerry and Patrick got so wet. But at the same time Gary and Benny, didn't get a drop on themselves. I guess you actually have to get on the water to enjoy the benefits of a good soaking.*

*Congrats to James, Jerry and Eddie for taking 1,2,3. James had 24lbs, Jerry had 23lbs, and Eddie had 23lbs. Some really good stringers for such a small lake. We will probably see this lake on our schedules again next year!*

*Now for the next outing. According to the schedule on [WWW.garlandbassclub.com](http://WWW.garlandbassclub.com), our next outing is lake Quitman on Saturday only, the 18<sup>th</sup> of May. Quitman is another small lake which we fished last year. Parking and launch is at the dam ramp. (no pun there) Times to start and weigh-in are located on our web site. (remember that our rules and times are on the official web site!) Thanks to Jerry for keeping all that straight!*

*Meeting this Monday evening (5/13/2024) at the VFW at 7:00pm as usual. James will be leading the meeting, while Marvin or Scott will try to keep up. Door prizes and cold beer, what else have you got to do on a Monday night? Our meetings are the only night life Gary has.*

*Note: if you have your computer hacked, I have a trustworthy Microsoft engineer that can fix it for you. (NO JOKE!) Mine was hacked and it cost me right at \$500 bucks to learn a valuable lesson about returning phone calls from someone you think you know. Just don't open anything!*

*Let's be safe, love each other, enjoy fishing when you can, and I'll leave the light*

*on for you!*
